

# Board Member Recruitment

## Easy Read Information Sheet

NDTi are looking for new people to join their board.

We want our board to better represent our communities.

NDTi is a Registered Society, which is like a Charity.

We call our Trustees **'Board Members'** but the role and work they do is similar to what Charity Trustees do.

NCVO has made 4 easy read guides about what a charity is, and what Trustees or Board Members must do.

We would like you to look at these on our website [here](#).

The law says Board Members must operate in line with NDTi's purpose.

This means you must make sure NDTi does what it is meant to do.

We want to encourage people from different backgrounds to apply to join our board.

We would like to hear from people with lived experience of services and supports as a personal expert.

You may be a family member or carer of someone who uses services and supports.

If you have a learning disability, are neurodiverse, have a black or minority ethnic background or are part of our LGBTQ+ community, we would like you to think about applying.

You must be 18 years or older to be a Board Member.

We would like young people under the age of 35 to apply. You can be older.

You can see the other people who are part of our board on our website [here](#).

You do not need previous experience of working on a board to apply.

The most important thing is that you share our aim to build a world where everyone matters.

You can watch our [short film](#) to find out more about our people and our organisation.

We will support you to understand the role and will work with you to ensure that this works best for you and us.

	<p>We will provide training, support, and a buddy if wanted.</p>
	<p>Board Members must make choices together. They meet at least 4 meetings each year.</p> <p>Meetings may be online (using Teams or Zoom) or in person. Sometimes the Board meet in London or other places.</p>

	<p>The role is unpaid. We will pay you for travel and other expenses from being a board member.</p>
	<p>As a member you will join our board for 3 years. We call this a term.</p> <p>You may want to stay and do another 3 year term after this.</p>

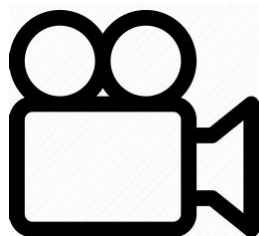

If you would like to talk about the role before applying or would like help with applying, you can email us at [getonboard@ndti.org.uk](mailto:getonboard@ndti.org.uk).

We will call and talk to you within 2 weeks.

If you want to apply, we would like you to hear why you would like to become a Board Member, and what you can bring to the role.

You can send us a CV with a letter telling us why you want to join our Board and how your values fit ours.

If you want to, you can send us a short film.

You could record this on your smart phone or computer.

Please send your application to [getonboard@ndti.org.uk](mailto:getonboard@ndti.org.uk) by 22 April 2024.

We look forward to hearing from you.
