

Family Ambassadors

Parents as partners

HAVE YOU HAD SUPPORT OR ADVICE FROM A FAMILY AMBASSADOR?

ARE YOU WORKING ALONGSIDE A FAMILY AMBASSADOR?

The National Development Team for Inclusion (NDTi) is evaluating the Family Ambassadors programme.

We want to find out:

- What difference has the input of a Family Ambassador made?
- What has been helpful?
- What could be better?

We would like to talk to family carers who have had support and clinical team members who have worked with Family Ambassadors.

Contact

If you would like to find out more, please contact Anna Marriott or Ewa Woodward on research@ndti.org.uk or call 01225 256 008.
