

Innovation Pot (Priority Grant Process)

SIgrants@ndti.org.uk

Funded by

Delivered by

Grant Underspend

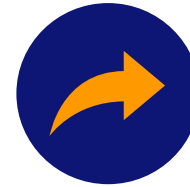

Grant funds cannot be carried over financial years

Underspend needs to be identified, declared & returned to NDTi at the earliest opportunity (no later than the end of February)

Underspend that is returned early can be redistributed & used by other LAs

Underspend that is declared at the latest stage will be repaid to the DfE

If you would like to repurpose any underspend, contact SIgrants@ndti.org.uk to agree this

Innovation Pot

The innovation pot is for Local Authorities who would benefit from additional funding to build on existing good practice that will support them to increase the number of supported internships or uptake of supported internships by young people. The innovation pot is made up of funds from underspend that has been returned.
