# Partnerships

## Large Employer- Trafford Hospital

- Classroom on site
- Assign a project champion
- Embed project alongside other employability initiatives
- Paid opportunities

## Local Education Provider- Trafford & Stockport College Group

- Delivers employability course
- Pastoral support & Safeguarding
- Tailored support in classroom
- English and Maths as appropriate

## Supported Employment Provider

- Support Employer & Intern
- Job analysis & job shaping
- Specialist training
- Negotiate paid outcomes
- Monitoring interns in employment

## Benefits

- Share expertise
- Development
- What's working/going well
- Priorities
- The journey of the intern from referral to paid employment
- Highlights anything that is missing
- Assist to aid improvement
- Another expert's viewpoint/opinion
- Use the final score 82% on promotional material

## Challenges

- Not having a kite mark
- Differing opinions on scoring
- Providing evidence
- Coordination of review schedule
- Conflicts in priorities/everyone assisting with audit
- Ensuring the actions on the plan are regularly reviewed and embed the changes in the internship

## Action Plan

- Continually use for improvement
- Add to it
- Use across other sites and different areas of the programme – pre internships
- On the agenda at steering meetings so all partners are adding to and following the action plan
- Review with partners to address any action points

## Ofsted - College

- Good/Excellent Ofsted report
- Excellent partnership work
- Sharing of good practice
- 'Leaders have developed an effective curriculum that meets the needs of most learners with high needs. Learners benefit from highly individualised programmes in vocational and technical subject areas. They develop high-level vocational and technical skills which prepare them well for further learning or employment'
