

STOMP and STAMP

Join our Discussion about STOMP and STAMP

Monday 9th January 1:30 – 4pm (online)

What is STOMP and STAMP?

STOMP stands for Stop Overmedicating People with a learning disability and autistic people

STAMP stands for Supporting Treatment and Appropriate Medication in Paediatrics (which means children and

young people)

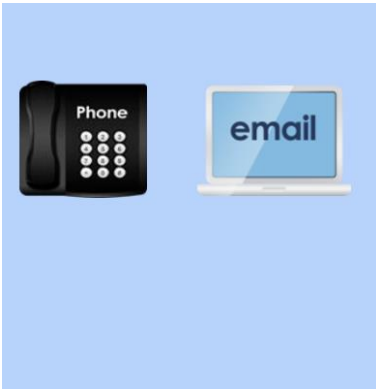

What is the event about?

NHS England want to hear what you think about the plans:

- to review how STOMP and STAMP is working with Specialist Providers (both inpatient wards and community treatment teams).
- to get people together to get the thoughts of people who have experience of these services.

Who is this event for?

This meeting is open to people with learning disabilities and autistic people with experience of STOMP or STAMP That means people who have had their medication changed or wanted it changing.

Please phone or email Anna Balding to let us know if you would like to join:
