

National Development Team for Inclusion

Time to Talk Next Steps Online Celebration

Monday 10 June - Thursday 13 June 2024

This is a chance to hear about NDTi's Time to Talk Next Steps programme with young people.

Join us to celebrate this fabulous work, sharing learning and reflections from young people, carers, staff and associates.

For more information on each session please visit the website: [here](#)

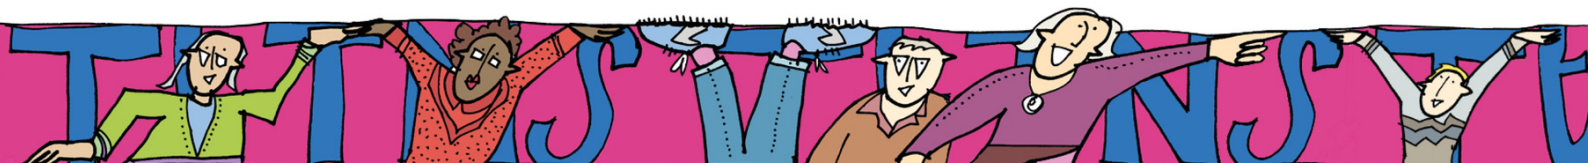

To register for any of the sessions below, please complete the booking form [here](#).

You will receive a joining link for each session you sign up for by email.

Microsoft Teams - Practice Session

Most of the sessions for this celebration will be held on Microsoft Teams. If you have not used this before or are less comfortable with it, we will have a short session on Wednesday 5 June where you can practice logging on, testing the functions and asking questions. You can sign up to this through the booking form.
