What happens at the dentist?

I am going to the dentist.

My dentist works at Ashton Health Centre.

When I get there I will meet Zoe.

She will ask me my name and say I can sit in the waiting room until it is my turn.
When it is my turn a nurse will call my name. This means it is time for me to see the dentist.
There are 4 nurses:

Wendy

Sue

Debbie

Cath
I will walk down the corridor and go into one of the special rooms where the dentist works.

There are 3 rooms. I might go in any of them. The nurse can show me which one I will go in. It might look a little bit like this one.
There are 3 dentists:

Charlotte

Sarah

Catriona

And Stella is our tooth therapist:

The nurse can tell me which dentist I am going to see.
When I see the dentist I might sit in a special chair.

Sometimes we lie down in the chair and it moves up and down!

The dentist might ask me to open my mouth to look at my teeth.

It is important for the dentist to see my teeth; this is so they can see if they are OK.
Sometimes the dentist uses a little mirror to look at my teeth.

When the dentist has finished I might get stickers!

Then I can go home!
